Summer Dream is a stump work embroidery which can be used alone or as a companion to *Fantasy Remembered*. The design is worked on crewel linen or linen twill. The colors can be changed to fit a particular décor. A lily is partly worked on the linen. Two petals are padded, and for added dimension, two petals are worked on wire and attached to the flower. Beads enhance the petals and stamens poke out from the center of the flower.

There are bullion buds, padded forget-me-nots, and wildflowers worked with needle weaving on wire. The butterfly and the bee incorporate wire so their wings stand away from the linen. A padded lady bug crawls along a leaf, ready to take flight.
